**GRACE AND PEACE TO YOU!**

It's that exciting time of year again. Activities are beginning, and you're marking your calendars, right?

The back of this sheet lists some opportunities you won't want to miss, so pencil them in and watch for more information in the church newsletters and your Sunday bulletins. Each week check the bulletin board for the latest poster. Then *sign up*. All your friends will be watching for your name.

If you'd like to ask questions, make suggestions, or volunteer to help out occasionally, please call --
